

Compatibility View: websites designed for older browsers will often look better, and problems such as out-of-place menus, images, or text will be corrected.

**Click Here or use option under 'Tools'
as shown in next image**

Click 'Tools' scroll down to, and click on 'Compatibility View Settings'

Compatibility View Settings

You can add and remove websites to be displayed in Compatibility View.

Add this website:

Websites you've added to Compatibility View:

**Click 'Add'
then click 'Close'**

- Include updated website lists from Microsoft
- Display intranet sites in Compatibility View
- Display all websites in Compatibility View

**Ignore these settings
those shown are the defaults**
